Coffetek Vitro X5 / MIA options

For teams who want a bigger coffee conversation.

Made for a real working day

X5 variants can broaden the coffee choice for a busy site. We will check the exact machine, dual-bean arrangement and milk system before promising features.

What to know

- Vitro X5 is an established Series 5 model
- Different bean and drink configurations exist
- MIA variant and combination need confirmation
- Request a machine-specific quotation and technical sheet

PHOTO PENDING

We only show photographs verified as this exact machine.
