Merchant 4 & Merchant 6 Combi MEDIA2

A versatile mix of snacks, confectionery and cold drinks.

Original Tastebuds guide | UK specifications | November 2026

The right fit for the workplace

Merchant 4 Combi makes sense when space is tight but snacks and drinks both need a place. Merchant 6 Combi gives a busier workforce more room for the favourites that sell. Tastebuds can supply, install, stock and maintain your machine as part of a managed service.

Combi dimensions — not Ambient sizes

Specification	Merchant 4 Combi	Merchant 6 Combi
Width	895 mm (89.5 cm)	1,180 mm (118 cm)
Height	1,830 mm	1,830 mm
Depth	810 mm	810 mm
Selections	38–48	58–72

Dimensions shown are UK Merchant brochure guidance. Crane's current online MEDIA2 listing rounds the cabinet sizes to 89/117 cm wide and 82 cm deep. Always verify the specific unit and delivery access. Options include chilled or refrigerated arrangements; storage suitability must be confirmed.

We supply the service, not just the machine.
